**FINAL ORDER OF DISMISSAL**

This matter is before the Court upon review of the record. By Order dated December 14, 2012, the Court permitted expedited discovery of identity information concerning the 116 Doe Defendants in the case from internet service providers (“ISP”), and set a schedule for the filing of motions to quash by Doe Defendants who objected to the disclosure of their identifying information and for Plaintiff to respond to such motions. The Order also provided for the disclosure by the ISPs of identifying information regarding any Doe Defendants who did not file motions to quash. (Doc. No. 6.) Only one Doe Defendant filed a motion to quash, which the Court denied. As such, the Court assumes that identifying information with respect to the Doe Defendants was provided to Plaintiff pursuant to the December 14, 2012 Order.

By Order dated August 23, 2013, the Court on its own motion severed Doe Defendants #2 through #116 and dismissed the claims against them without prejudice. The Court also granted Plaintiff an additional 60 days to serve the complaint on Doe #1.

When the record did not indicate that service was affected by that date, the Court issued an Order on December 12, 2013, giving Plaintiff up to and including December 19, 2013, to show cause why this action should not be dismissed for failure to affect timely service under Federal Rule of Civil Procedure 4(m) on the only remaining Defendant. To date, Plaintiff has not responded to the Order.

**IT IS HEREBY ORDERED** that this case is **DISMISSED** without prejudice against Defendant Doe #1 for Plaintiff's failure to obtain timely service on that Defendant.

**IT IS FURTHER ORDERED** that Plaintiff shall serve a copy of this Order on all Doe Defendants about whom it received identifying information.
