**NOTICE OF VOLUNTARY DISMISSAL WITH PREJUDICE**

Now comes Plaintiff, Night of the Templar, LLC, (“Plaintiff”), by and through undersigned counsel and hereby respectfully notices this Honorable Court, of Plaintiff’s dismissal, with prejudice, of their Complaint. Despite diligent attempts at discovery, the majority of Defendant Does were unable to be identified by their respective Internet Service Providers. The most common reason given by the Internet Service Providers was that the time period for file-retention had passed thus preventing any guarantee of accuracy.

Respectfully submitted,

Night of the Templar, LLC
